We cordially invite you to participate as a sponsor of the Mud Dog Run, Zombie Edition. This annual 5K race will be held on Saturday, October 31, 2015 on the grounds of Crumland Farms. The Mud Dog Run is a fun intensity, obstacle course run that encompasses 5 kilometers of tough terrain. To add to the fun this year's race will include brain eating zombies in celebration of Halloween as runners face 16 challenging obstacles. Race directors are anticipating a successful event and expecting approximately 1,500 participants as well as a large number of spectators.

The race proudly supports veterans who are in need and suffering from PTSD. We have teamed up with the non-profit organization 22 Needs a Face to help raise money and bring awareness to this epidemic. 22 Needs a Face exist to combat against the number of service member suicides taking place within our nation. 22 Needs a Face will receive 10% of all sponsorship money raised. Your sponsorship will help provide camaraderie for our veterans, help educate the community about the severity of this mental health issue and enact legislation that ensures veterans who suffer from PTSD will continue to have employment and promotion opportunities.

We invite you and or your business to consider becoming a sponsor for this fun filled event. There are various levels of sponsorship to accommodate your budget and marketing needs.
